For Secondary and Post-Secondary Schools

JONES & BARTLETT LEARNING

CDX  **Automotive**

www.cdxauto.com/TrainingLibrary

First, open up the quiz you wish to lock, and select “update this quiz”.

The screenshot shows a navigation bar at the top with various automotive topics: PAINT, REPAIR, TICS, MISSION AND AXLE, AL DRIVE AND AXLES, NSION AND ING, ES, RICAL/ ROMIC/ MS, G AND ONDITIONING, E RFORMANCE, and ENGINES. Below the navigation bar are four buttons: Info, Results, Preview, and Edit. To the right of these buttons is a button labeled "Update this Quiz", which is highlighted with a blue arrow. The main title of the quiz is "Principles of Braking Pretest". Below the title, there is a red heading "This is a Pre-test" and a paragraph of text: "This pre-test is designed to determine what you do know and".

The “Update This Quiz” page has a few options for preventing access. The First is a Timed Access. You can set the Open and Close dates and times:

Screenshot of the "Update This Quiz" page for "Safety ModuleTest". The page shows configuration options for access dates and time limits. Two red arrows point to the "Disable" checkboxes for "Open the quiz" and "Close the quiz".

Grade boundary

The last method is by limiting group access. To see these settings, you must click “show advanced” (Blue Arrow). Here you can select a Grouping (Green) and click to make available to only that group (red)

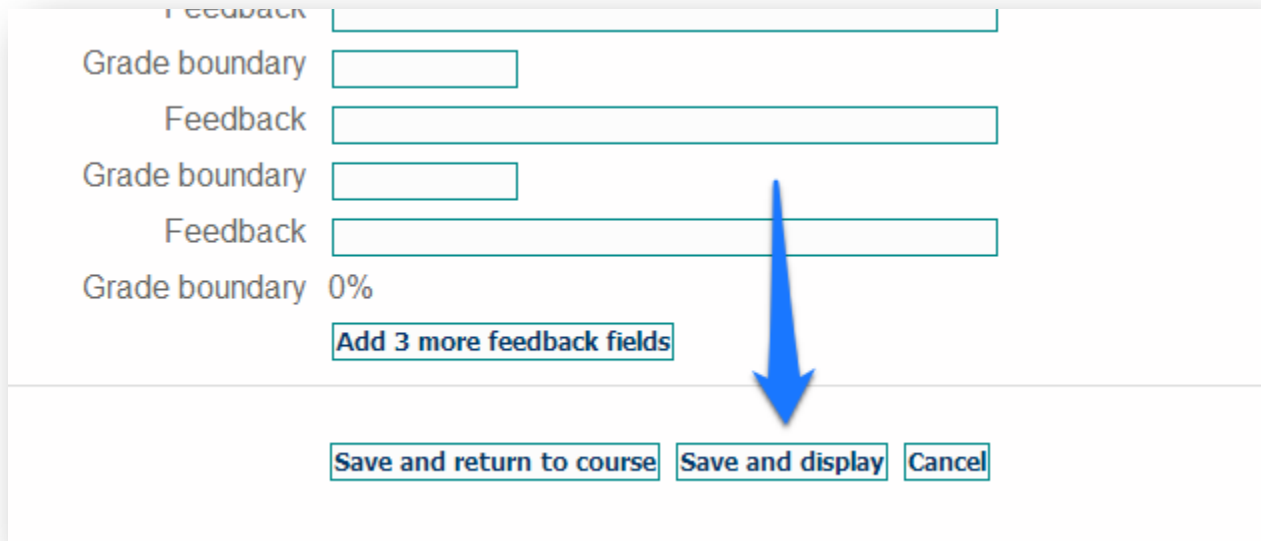

The screenshot shows a settings interface with the following elements:

- Require network address 
- Common module settings
 - Group mode 
 - Grouping*  
 - Available for group members only*  
 - Visible
 - ID number 
 - Grade category
- Overall feedback 
 - Grade boundary 100%
 - Feedback
 - Grade boundary

Annotations:

- A blue arrow points to the ***Hide Advanced** button.
- A green arrow points to the **Grouping*** dropdown menu.
- A red arrow points to the **Available for group members only*** checkbox.

When you make your changes, click “Save and Display” to save and return to the test.

The screenshot shows a form with the following elements:

- Feedback
- Grade boundary
- Feedback
- Grade boundary
- Feedback
- Grade boundary 0%
- [Add 3 more feedback fields](#)
-

A large blue arrow points from the top of the 'Save and display' button to the bottom of the 'Feedback' field above it.
