PROVE Principles of Braking Pretest

Click either the attempts number or the results tab.

The screenshot shows a Moodle quiz interface. At the top, there are four tabs: 'Info', 'Results', 'Preview', and 'Edit'. The 'Results' tab is highlighted with a blue arrow pointing to it. Below the tabs, the quiz title 'Cooling Systems Module Quiz' is displayed. Underneath the title, it says 'Grading method: Highest grade'. Below that, the text 'Attempts: 6' is shown, with a blue arrow pointing to it. A button labeled 'Preview quiz now' is located below the attempts count. At the bottom of the main content area, there is a link for 'Moodle Docs for this page' and a message indicating the user is logged in as 'CDX Admin' with a 'Logout' link. A copyright notice at the very bottom reads '© 2012 Jones & Bartlett Learning LLC. All rights, all media reserved.'

Find the attempt that contains the bad question.
Either click the start/end times or the score, to open the quiz.

Attempts: 6

Showing graded and ungraded attempts for each user. The one attempt for each user that is graded is high

	First name / Surname	Started on	Completed	Time tak

To change the grade for just this attempt, and no others,
select “make comment or override”.

Otherwise, continue on to change permanently and for other attempts

The screenshot shows a Moodle quiz question interface. At the top, the grade is displayed as "80 out of a maximum of 100 (80%)". Below this, there are navigation links for pages 1 through 10. The question text is "The term V-8 engine means" and the marks are "0/1". There are three multiple-choice options: "a. All 8 cylinders are in a row x", "b. all 8 cylinders have V-power x", and "c. the cylinders form a V, 4 cylinders on one", which is highlighted in green. Below the options is a button labeled "Make comment or override grade" with a blue arrow pointing to it. Underneath, the word "Incorrect" is shown in a red box, followed by "Marks for this submission: 0/1." and a "History of Responses:" table.

#	Action	Response	Time
1	Save	all 8 cylinders have V-power	11:10:t
2	Close&Grade	all 8 cylinders have V-power	11:10:t

At the bottom of the question area, there are more navigation links for pages 1 through 8. A "Moodle Docs for this page" link is also visible.

Overlaid on the right side of the screenshot is a "Comment" dialog box. It has a toolbar with various icons and a text area. Below the text area, the "Path" is set to "body". The "Grade" field is set to "0" out of "1", with a blue arrow pointing to it. A "Save" button is at the bottom left of the dialog box, also with a blue arrow pointing to it.

Find the bad question, and click the edit icon.

Grade 7.6 out of a maximum of 10 (76%)

1  Antifreeze absorbs and conducts heat rapidly. Select the correct response.
Marks: 0/1

Answer:

True ✓
 False x

[Make comment or override grade](#)

Correct
Marks for this submission: 1/1. With previous penalties this gives 0/1.

History of Responses:

#	Action	Response	Time
1	Grade	False	13:32:03 on 23/04/14
2	Grade	True	13:32:11 on 23/04/14
3	Close&Grade	True	13:34:47 on 23/04/14

2  The pressure relief valve opens when the system pressure exceeds the cap rating, and coolant is released.
Marks: 1/1

Choose one answer.

Atmospheric pressure x
 High load/high heat ✓
 System cool down x

[Make comment or override grade](#)

This page allows you to edit the question. In a multiple choice, one answer must be set to “100%” to be the “correct” answer.

The screenshot displays a question editor interface with two choices. Each choice has an 'Answer' field, a 'Grade' dropdown menu, a 'Feedback' field, and a rich text editor. A blue arrow points to the 'Grade' dropdown in each choice.

Choice 1

Answer: Atmospheric pressure

Grade: None

Feedback:

Choice 2

Answer: High load/high heat

Grade: 100 %

Feedback:

To Implement the changes to all existing attempts, click “regrade”.
This will change the grades for anyone who got this question in the past.

The screenshot shows a quiz results interface. At the top, there are tabs for 'Info', 'Results', 'Preview', and 'Edit'. Below these, there are navigation links: 'Overview', 'Regrade', 'Manual grading', and 'Item analysis'. A blue arrow points to the 'Regrade' link. Below the navigation, it says 'Attempts: 6'. A paragraph explains that the table shows graded and ungraded attempts, with the graded attempt highlighted. The grading method is 'Highest grade'.

Name / Surname	Started on	Completed	Time taken	Grade/10	#1	#2	#3	#4	#5
