

How do I create an account and redeem an access code?

In order to access a CDX course, you must have an account on CDXLearning.com. Creating an account requires you to enter an access code and provide basic contact information.

1. Navigate to www.cdlearning.com. The CDX Learning Systems home page opens.

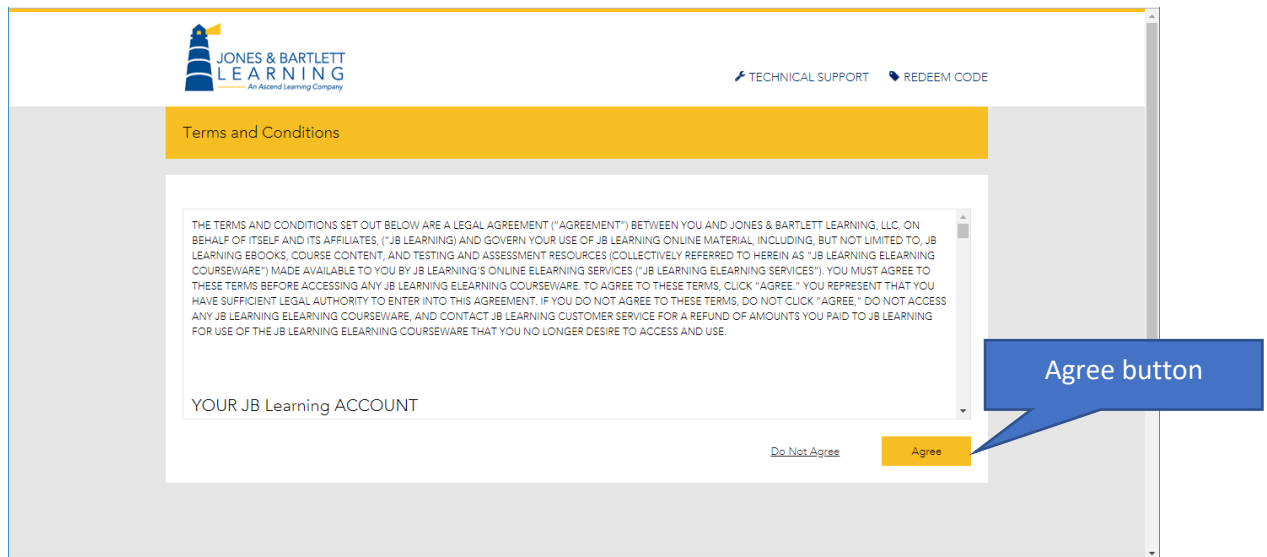

2. To create an account, click the **LOGIN** link in the upper right corner of the CDX home page. The account login page opens. From this page, you can create a new account on CDXLearning.com.

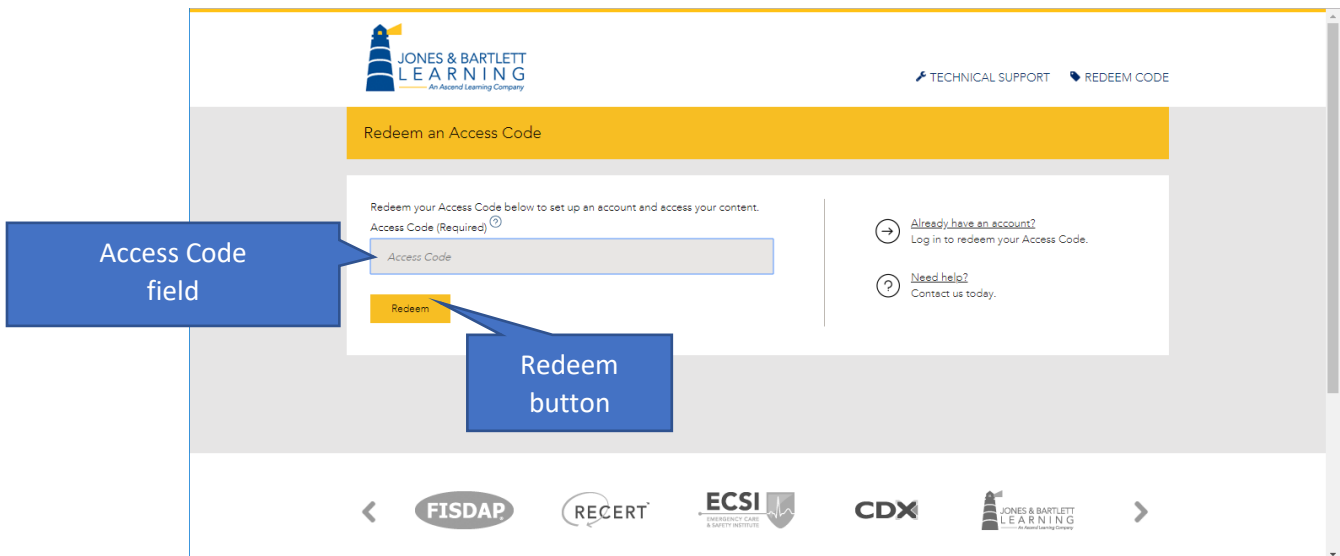

How do I create an account and redeem an access code?

3. Click the **Don't have an account link**, then read the Terms and Conditions page that opens. Scroll down as necessary, then click the **Agree button** to continue.

4. The Redeem an Access Code window opens, as shown here.

5. Enter your access code in the **Access Code field**, then click the **Redeem button**. The code is processed, and a Course ID field opens. If you know your course ID, enter it in the **Course ID field**, or if not, leave this field blank for now. Note that you will need to enter the course ID before launching the course, because this code completes your enrollment in the course.
