

## How do I redeem an access code in an existing account?

To access a CDX course, you must enter an access code for the course and a course ID to complete your enrollment.

1. Navigate to [www.cdlearning.com](http://www.cdlearning.com). The CDX Learning Systems home page opens, with the LOGIN link in the upper right corner of the screen, as shown here.

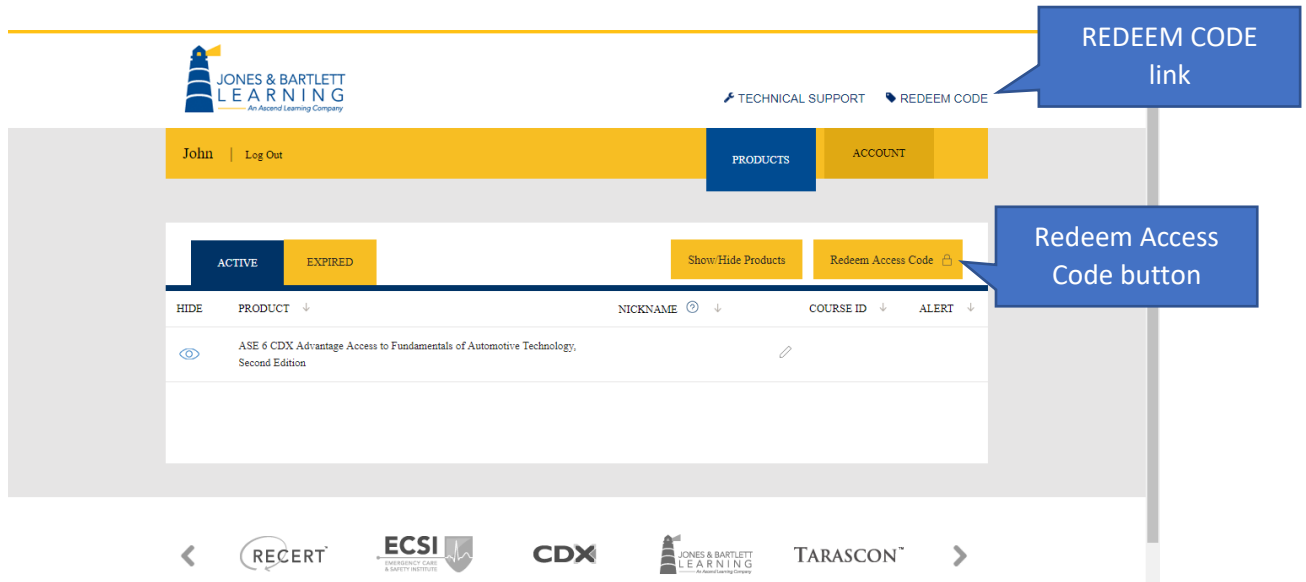

2. Click the **LOGIN** link. The account login page opens, where you can log in to your CDX account.

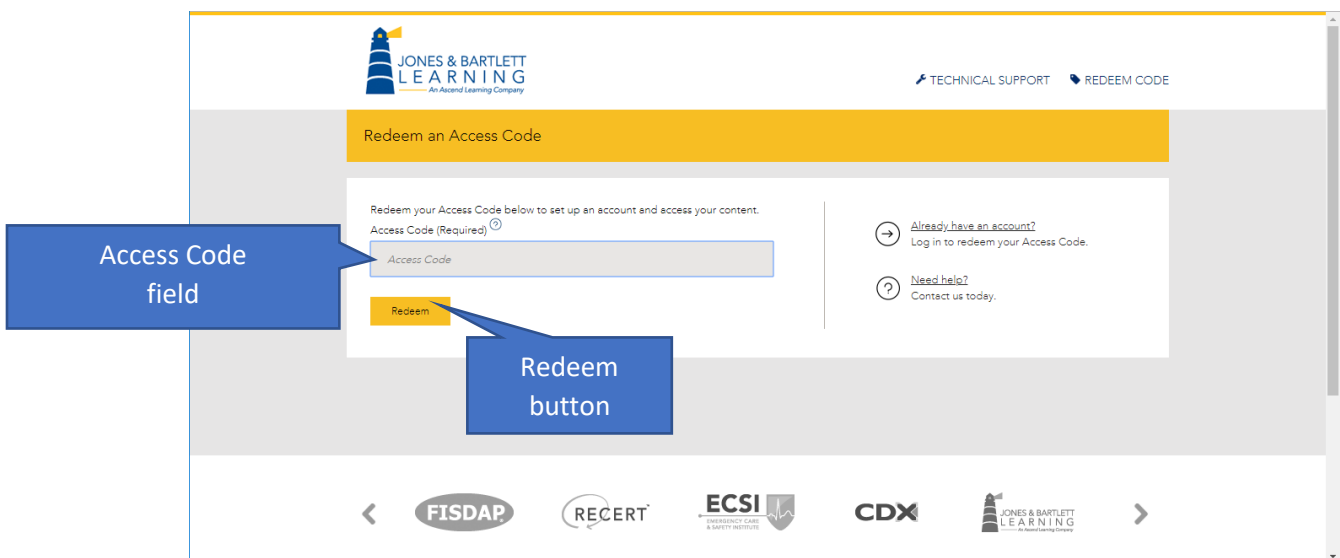

## How do I redeem an access code in an existing account?

3. Enter your username in the **Username field** and your password in the **Password field**, then click the **Log In button**. (If you need help accessing your account, see *Retrieve a Forgotten Password* or *Navigate and Log In to CDXLearning.com*.) The My Account page opens, as shown here. It lists any courses you may already have within the CDX family of products.

4. On the My Account page, click the **REDEEM CODE link** or the **Redeem Access Code button**. A Terms and Conditions page opens, explaining the terms of using this courseware.
5. Scroll down to read all the terms and conditions, then click the **Agree button** in the lower right corner of the page. The Redeem an Access Code page opens, as shown here.

## How do I redeem an access code in an existing account?

6. Enter your access code in the **Access Code field**, then click the **Redeem button**. The code is processed, and the screen now displays a Course ID field. This field is optional but you will need to provide it in order to complete your enrollment and launch your course. If you don't know your Course ID, consult your instructor.

Redeem an Access Code

If you have your Course ID enter it now, or leave this field blank and enter it after you have registered.

Redeem your Access Code below to set up an account and access your content.

Access Code (Required) ①  
5388692798

Course ID (Optional) ②  
Course Id
